

REMARKS

Claims 92-98 and 103-133 are computer readable medium claims that have been amended to correct clerical errors. These claims were originally prepared by converting method claims 2-8 and 13-43 into computer readable medium claims. The clerical errors were made during the conversion. Accordingly, these amendments are being made to correct the clerical errors. No new matter has been added as a result of these amendments.

Applicants submit that these amendments should be entered by the Examiner at least because, in accordance with 37 C.F.R. §§ 1.116(b)(2) and 41.33(a), these amendments correct clerical errors and present the rejected claims in better form for consideration on appeal.

Entry of these amendments is respectfully requested.

Respectfully submitted,

---
